

Mapped, edited, and published by the Geological Survey as part of the Department of the Interior program for the development of the Missouri River Basin Control by USGS and NOS/NOAA. Topography from aerial photographs by multiplex methods. Aerial photographs taken 1948. Field check 1956. Polyconic projection. 1927 North American datum 10,000-foot grid based on North Dakota coordinate system, north and south zones. 1000-meter Universal Transverse Mercator grid ticks, zone 14, shown in blue. To place on the predicted North American Datum 1983, move the projection lines 6 meters north and 36 meters east as shown by dashed corner ticks. There may be private inholdings within the boundaries of the National or State reservations shown on this map. Areas covered by dashed light-blue pattern are subject to controlled inundation. Elevation flood control pool 1620.

CONTOUR INTERVAL 20 FEET
DOTTED LINES REPRESENT 10-FOOT CONTOURS
NATIONAL GEODETIC VERTICAL DATUM OF 1929
