

Mapped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA

Topography by photogrammetric methods from aerial photographs taken 1961. Field checked 1963

Polyconic projection

10,000-foot grid based on South Dakota coordinate system, south zone

1000-meter Universal Transverse Mercator grid ticks, zone 14, shown in blue. 1927 North American Datum

To place on the predicted North American Datum 1983

move the projection lines 7 meters north and 26 meters east as shown by dashed corner ticks

Fine red dashed lines indicate selected fence and field lines where generally visible on aerial photographs. This information is unchecked

Revisions shown in purple and woodland compiled from aerial photographs taken 1977 and other source data. This information not field checked. Map edited 1980
