

Maped, edited, and published by the Geological Survey

Control by USGS and NOS/NOAA  
Topography by photogrammetric methods from aerial photographs taken 1973. Field checked 1974. Map edited 1978  
Projection: Wyoming coordinate system, east zone (transverse Mercator)  
10,000-foot grid ticks based on Wyoming coordinate system, east zone and South Dakota coordinate system, south zone  
1000-meter Universal Transverse Mercator grid ticks, zone 13, shown in blue. 1927 North American datum  
Fine red dashed lines indicate selected fence lines

ROAD CLASSIFICATION

|                                 |   |
|---------------------------------|---|
| Primary highway, hard surface   | Light-duty road, hard or improved surface |
| Secondary highway, hard surface | Unimproved road                           |
| Interstate Route                | U. S. Route                               |
|                                 | State Route                               |
